## **What do I bring?**

Dress appropriately for the weather. Keep in mind that it will be cooler on the water. Consider bringing a camera, water, sunblock, a hat, and bug spray. There are restaurants and shops for you to buy food, drinks, and other necessities but keep in mind, some businesses do not take credit cards, so make sure you bring cash.

Our programs are great for kids. In fact, we prefer to have kids on the tour with family groups or groups of friends.

---

## **Are your programs ADA compliant or accessible for people with mobility issues?**

Unfortunately the tour is not designed for people with mobility issues. Our vessel can't accommodate wheelchairs and mobility scooters. Once on the island, some walking is necessary to truly explore and appreciate the island's landscapes.

We offer a crab cake lunch with the tour, but can accommodate substitutions with at least one day's advance notice.

No, there will not be an opportunity to get wet (unless it rains—and fingers crossed, it won't!).

The vessel has an enclosed cabin and a hard top canopy with side curtains. There is also a bathroom on the boat.
